What would you like to see on the EBD OG website?

Working with the DfE and ESFA

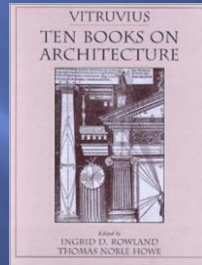

EBDOG Executive Committee members have been engaged in a variety of discussions with DfE and EFA:

- PSBP 1 & 2
- Cost Benchmarking
- Basic Need
- Free Schools
- SEN – Strategic Plan
- Developer Contributions (CIL)
- National Audit Office – Review of Capital

Around 2,000 years ago, the Roman architect Vitruvius made a list of what makes a great building and that list of 3 ideas remains valuable today. He said good buildings should have Firmness, Commodity and Delight.

- ✦ Solid, well built and fit for purpose
- ✦ Easy to use and ergonomic
- ✦ Bring happiness and joy, lifting spirits and make a contribution to place
